Time: 1:15pm EST

PCD Apps: Part Lookup and Shop Order

Facilitated by Dan Wilson

Don't you wish there was an easier way to look up you inventory information, pricing and other product related data? Maybe you haven't heard about our Part Lookup App, or haven't unlocked all the secrets to getting your answers quicker than the time it takes for you to complete a support ticket!

Date: Wednesday, June 10 [Register Now](#)

Time: 1:30pm EST

Intro to Total System Health Management and Therapeutic Filtraion Products

Facilitated by Kyle Bowen

This webinar will introduce participants to the concept of Total System Health Management and will provide a comprehensive review of Parker's range of therapeutic filtration products including oil purifiers and filter carts.

Date: Tuesday, June 16

Time: 1:15pm EST

PCD Apps: Order Tracking

Facilitated by Dan Wilson

We can all understand how frustrating lack of information can be. Uncertainty can hinder our ability to make decisions, whether it's during a pandemic or stocking your inventory. Though we may not be able to answer questions about the former uncertainty, you can be rest assured that you will have updated information about your Parker Orders through our Tracking Tool!

Date: Wednesday, June 17 [Register Now](#)

Time: 1:30pm EST

PARKER CANADA TRAINING

Virtual Training Sessions - June/July

Please join a few minutes before the scheduled time to resolve any possible connectivity issues.

FSC Automation Fittings and Valves

Facilitated by Peter Prange

This class will go over a review of push-to-connect fittings and function fittings and valves along with a dive into each of their applications.

Date: Tuesday, June 23 [Register Now](#)
Time: 1:15pm EST

PCD Apps: Request for Quote Tool

Facilitated by Dan Wilson

Need a price for a non standard or need special pricing? RFQ is the tool for you. It will assist you in getting a quick quote turnaround so you can quote your customer. Faster quote turnarounds mean higher "WIN" rates!

Date: Wednesday, June 24 [Register Now](#)
Time: 1:30pm EST

Where to Sell Parflex in the Aerial Lift Market

Facilitated by Rich Boutin

In follow-up to the Why Parflex? virtual training, this presentation will walk through Aerial Lift applications to demonstrate where to find opportunities to sell Parflex products in this segment. It will include a look at a new marketing tool with a Utilities focused brochure.

Date: Tuesday, June 30 [Register Now](#)
Time: 1:15pm EST

PCD Apps: Part Download

Facilitated by Dan Wilson

These handy files have all sorts of advantages particularly for keeping your system aligned to Parker Canada's. What can you expect to find? List prices, discounts and other key product data.

Date: Thursday, July 2 [Register Now](#)
Time: 1:30pm EST
